Meeting called to order by Dave Sims, TEAM President at 9:10 a.m.

Mike Morris Update

- Fairly quiet as far as legislative activity.

[HB 701](#) cleanup bill – no one has issues with it. There is not a lot happening to affect us.

Looks like there won't be an increase for healthcare again this year which is good news.

Dave asks about raises, looks like there is 1% in the budget but the Senate hasn't finished yet. We should know in a couple of weeks.

The retirement bill that Patrick McKenna supports offering a defined contribution plan option for new employees is not generating any traction right now. No interest in it, including from the Governor.

Mike will update us on the current pay raise situation in the upcoming legislative updates.

Treasury Update

- Balance is \$15,300 and doing okay. We are still saving money not having in-person meetings. In-person meetings cost between \$1,500 and \$2,000. The new lobbyist fees are saving us money too.
- In 2019, TEAM membership was 1,769 members. In 2021, TEAM has 1,546 members.

- Next chapter dues will be sent out the first of June.

Next meeting will be an in-person meeting and will take place in August. Dave is trying to get Patrick McKenna to come to this meeting so TEAM will work around his schedule. The August meeting date will be announced once a date has been chosen.

Meeting adjourned.

Next Meeting – Saturday, August TBA, 2021 at 9:00 a.m.
